2:10	Self-paced module	Self-paced module	Self-paced module	Self-paced module	Live online Zoom session
3:10					
4:10					

- Each peer mentor will meet with their students online as a group twice a week, approximately one hour each time, at a time that works for all group members.
- The online portion is self-paced. However, expected attendance is required during the live online zoom meetings indicated on the schedule.
